SPECIAL INSTRUCTIONS

TO

"b1"

SECRET ADOP-AN 07076 SEP 68.

ACTION FOR "b1" Subject: (U) Additional boosters for Program 437. Reference your confidential message "b1" 08025, 3 September 1968. Procurement of 18 additional modified launch vehicles during FY68 through 71 has been approved by DCD.

Some

launches are required for crew training and system tests, but number required not established. Decision on procurement of training payloads is deferred

"b1"

Number of

training payloads to be procured will be based on outcome of "b1" tests and decision on number of training launches to be authorized. References for the above are PCP Number F-5-078 and DCD Format B signed 1 September 1968. CP 4
